## Rostock's success stories:

**Neptun Werft GmbH** – Since 1850; e.g. production of the A-ROSA cruise ships

**Liebherr MCCtec Rostock GmbH** – Maritime cranes; e.g. one of the biggest offshore rotary cranes worldwide (1.600 tons!)

**Caterpillar GmbH & Co. KG** – Construction of ship's engines

**Rottach Rostock GmbH** – sheet metal forming

## Location

Rostock is the **economic hub in the North East of Germany** and **connects Central Europe, Scandinavia and the Baltic States**. The **excellent Infrastructure** provides ideal traffic links (highways, ferry lines). Rostock offers **low charges** and **short ways** to all important Baltic seaports. There are adequate **industrial real estates near Rostock seaport**.

A special advantage for transport-intensive engineering is the 1.2 km quay.

Producers, suppliers and service providers of all branches are on site. Further, the **University of Rostock** supports the education of skilled personnel.
